

New local airline?

Or a development of the R Class foiling program?
An unusual recent visitor to the club floater stopped in for fuel and to pick up a couple of passengers.
Note the club colours!

Opening day

45+ knot westerly gusts put a lot of sailors off venturing out for the opening racing.
John Begg & crew on "Aquisition" survived the conditions to win the Eno-gro cup for Trailer Yachts while Commodore Phil Folter's "Full Circle" took the honours in the keelboat race.
The dinghy fleet wisely stayed ashore.

The flotilla parade around the harbour was well supported and brought back memories of a Cruising Club tradition from years gone by.

A good crowd attended the official opening ceremony and we were pleased to host the Hon Ruth Dyson MP and Gail Sherriff and Claudia Reid, Christchurch City Councillors.

Racing Rules Quiz.

New rules are coming into effect on 1 Jan 2009.
After we attend a preview seminar next weekend, we'll be back with some information on how this will affect everyone.

Dates for the diary

Racing this Saturday 11 October
Oborn Trophy, harbour racing.
