

We have a World Champion!

We reported last week that Andrew May was second in the World IFDS Disabled Sailing Keelboat champs and the Access Liberty Open World Championship in Auckland. Turns out our information was a provisional result and once the protests were heard Andrew was declared the winner by a comfortable 8 points. Not sure about the green sails!

- Murray Philpott won the A Class Catamaran NZ Champs in Wanaka.
- Vince Williams & crew won the Noelx 22 NZ Champs at Port Chalmers.

Additionally, Gabrielle Cross, crewing for Chelsea Whitburn of Dunedin won the 29er class at the Sail Auckland Regatta.

Reminder—keep clear

A couple of recent incidents have prompted the Port Company and the Harbour Master to remind us of the need to keep clear of large vessels maneuvering in the channel and when transiting the moles. The distances may look OK to you but the view from the bridge of a large cruise ship is very different!

Mooring Etiquette

The Club has a number of moorings around Banks Peninsula for the use of members.

Where more than one member intends to use a mooring, rafting up is expected. Please put your fenders out as you approach so your intentions are clear. Please ensure your current membership sticker is visible and the club burgee is flown. No member has an exclusive right to sole use of a mooring. If you want solitude—use your own ground tackle!

More Regattas this Weekend

Best wishes to members competing at the Line 7 Regatta for Keelboats in Wellington and the Trailer Yachts competing in the Donald Hay Kingston to Queenstown race this weekend as well as the Juniors competing at the Tamaru age group regatta.
