

A good day on the Water

Sat 8 Nov
 The Trailer Yachts went to Charteris Bay for the annual "Ships Wheel" trophy. Congratulations to Ion Cowlshaw who collected the honours in "His n Hers"
 The keelboats had a sprint series while the Starlings raced off for right to represent Canterbury at the National Starling Match Racing event in January. Dan Philpott emerged the winner after a hard-fought round-robin series of races.
 The good weather with a classic Easterly brought a lot of boats out and we had over 50 boats on the water.

Calling all Divers

We plan to clean the marine growth off the "Castle Hill Landing" on Saturday morning (22 November).
 If you can spare an hour or so, please join us at 9am.
 NIWA also plan to be there to collect any specimens of foreign nasty marine life that may have taken up residence.

Old Salts harbour cruise

Sat 15 Nov
 Richard Coop will be taking his launch around the harbour plus catching some of the keelboat racing.
 If you know an "Old Salt" that would be interested in a couple of hours visiting some of the Lyttelton places of interest, be at the Club at 1200hrs on Saturday

Wanted,

Small trailer yacht/ day sailer. Any condition will look at, must be cheap. phone Sean 0211497349 or 3320784"

Commodore's Raft Up
 Shuttle service available for non-keelboaties
 23 November

Biosecurity NZ presentation
 Friday 12 December

Canterbury Cup Regatta schedule change

Although this regatta was originally planned to start on Friday 14th, given the difficulty finding crews for 3 days we have amended the plan.
The regatta will now start on Saturday 15th with a briefing at the club at 0830hrs. Racing is scheduled to start at 1030hrs

Where is this??

We have some space this week so here is another mystery Banks Peninsula location. A prize will go to the first correct answer. E-mail to secretary@navalpoint.co.nz
