

Summer at last

In contrast to opening day, last Saturday's conditions were almost perfect, even with an hour or so of very light conditions until the sea breeze kicked in at 2pm.

New LPC Webcams

Now your spouses can see what you're up to at the weekend... Lyttelton Port Company have installed 3 new webcams, one of them looks up towards the heads, the others give a 180 deg view towards Diamond harbour. www.lpc.co.nz

Congratulations to Paul Campbell and crew on "Hyperactive" who competed in the recent Picton-Wellington "Wine Race" to deliver the new Marlborough vintage to the Capital.. We are told they secured a generous quantity of the sponsor's product.

Racing Rules Quiz.

New rules are coming into effect on 1 Jan 2009. The major change is to rule 18—Mark rounding. A session will be scheduled shortly to explain the changes. New rule books will be available from Yachting NZ in November
