

Call for Contributions

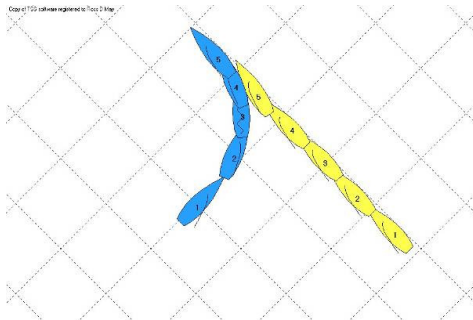

As you will already know from our weekly email we will now be publishing a quarterly magazine, the first issue arriving by post in October. Each issue will include reports from committee members, photos and tales from previous club events and information on upcoming events, as well as other information relevant to membership. We would also like to publish articles of interest to members including historical information, safety and maintenance tips, trip reports / logs, etc. If you have anything like this that may be of interest to club members we would love to hear from you.

You can email me at editor@navalpoint.co.nz, phone me at home 3843218, or find me at the club Friday evenings. You can also leave your contributions at the club with Ken Camp. Thanks,

Daryl Crocker.
