

The wanderers return

Congratulations to Craig Edwards and the crew of "Flying Machine" who were 3rd in their division Under IRC at the Line 7 keelboat regatta in Wellington last weekend. Ian Franklin and the gang on Southern Fun also represented Naval Point at this regatta.

Phil Auger's Shaw 650 "Badonkadonk" was first boat home in a very light air Donald Hay race from Kingston to Queenstown. Only 8 of the 55 entrants made the finishing line, some after 10 hours on the water..

In case you were wondering.....

The large holes that appeared in our car park last week are not the foundations for Covington's new apartment buildings or the new club swimming pool. There is large water main under there that feeds Diamond Harbour among other things. Last week a major leak developed and it has taken the City Care team several days to locate and repair it. Things should be back to normal by the end of the week.

Friday Night Special—Rules

You may be aware the racing rules have changed from 1st January this year.

A session outlining the key changes will take place during this Friday's happy Hour at 6:30pm.

If you're not sure how these rule changes affect you—here is your chance to find out - call in on your way home

Charity Race

Will not be a big affair this year but we still need some large boats to take some of the donors for a sail on 20 March. If you can make your boat available, contact the office.

Volunteers wanted

We need someone to organise next year's Open Day. The date is yet to be set but will be a Sunday early in the new season.
