

**A pleasant Labour Weekend**

With most of the trailer yacht fleet away at the Aviemore Classic and no racing for keelboats, it was left to the dinghy fleet and a few TY's to enjoy a light southerly breeze on Saturday. Labour Monday was perfect and a large number of boats made use of the club facilities.

Congratulations to Vince Williams and his "Piracy" crew who again took over-all handicap honours at Aviemore

**Is it a boat? Is it a plane?**

No it's the first attempt at a foiling R Class Skiff. Sean Milner and Dan Leech managed a brief flight on the foils before a mechanical failure sent them back to the workshop. Watch out for more exploits in weeks to come!

**Tornado sadly for sale**
