

More Championship Results

Many Naval Pointers have been competing in championships and regattas around the country. This is in addition to the even greater number who have been enjoying the delights of Tasman Bay and the South Island lakes in cruising mode. Most are back home with the end of the holiday period and our boat parks are filling up again..

How did they get on?

GLENN FAMILY FOUNDATION KIWI CUP

Cruising at Waitangi Weekend

Being a long weekend coming up, a few boats are heading off for a short cruise. Thought we might be able to try and make it a vaguely organised club thing. Maybe even kick it off as the inaugural yearly Waitangi weekend cruise, might be a good combo with open day. Also good to have another cruising event for those non racers.

The plan is to head off on Friday late afternoon after open day (4pm?), likely Port Levy the first night, then maybe Pigeon Bay Saturday night. All depending on the weather of course.
