

***Another Busy weekend coming***

Next weekend sees a full race programme on Saturday, followed by the Annual Club Open day on Sunday. Things kick off with the Canterbury selection trials for the National Starling Match Racing at 10am on Saturday, followed by the starts for the Trailer yachts and keelboats race to Brighton Pier and back at 11am. There will be the usual Learn to Sail/ race from 9am and regular dinghy racing and a Trailer yacht race for those not going to the pier on Saturday afternoon.

Sunday is the Club Open Day when our facilities are opened to the public at large. A lot of work has gone into organizing this event so come along and join the fun. A variety of special demo's are on including a flare demonstration and trailer boat (Power or Sail) safety checks for free. There will be a nautical "Boot sale" - your opportunity to turn that box of boat bits into cash.

## NAVAL POINT CLUB L Y T T E L T O N

The Commodore and Executive Committee are preparing a plan for the future development of Naval Point Club Lyttelton Inc. and below is a draft that we would ask you to provide feedback on before 18<sup>th</sup> November 2009 by emailing [feedback@navalpoint.co.nz](mailto:feedback@navalpoint.co.nz) or writing to the club.

### **OUR VISION**

To be the major family focused sailing club in Canterbury and to work with the Christchurch City Council in developing the area to provide first class facilities to meet our vision and goals.

### **OUR VALUES**

Family friendly

Nurture those new to the sport, particularly juniors and adult learners.

Support members' sailing aspirations at all levels and ages.

Encourage members who want to achieve at a higher level.

Encourage members and provide for those who want to sail for fun and leisure.

### **GOALS**

#### **Short Term Goal (2009-2010 Season)**

Identify the clubs needs for the next five to ten years and plan how to satisfy those needs.

#### **Mid Term Goal (2010-2011 to 2012-2013 Seasons)**

Highly effective governance, communications and facilities

A strong vibrant membership in a family friendly environment:

Continue to work with Marina and ground area development.

An outstanding sailing, training and development program.

### **FIVE YEAR GOAL**

To work with Local Authorities and develop the area called the Boat Harbour (BH) area of the Banks Peninsula District Plan including a breakwater to protect our slipways, jetty's, floater and moorings.

### **TEN YEAR GOAL**

Upgrade the club building and facilities to cater for the increased membership a breakwater and additional moorings will create.
