

A Wild weekend (in Parts)

Saturday started very pleasantly but with a forecast of a Southerly change mid-afternoon, all dinghy racing and the Trailer Yacht race to Brighton Pier were cancelled. The keelboats had a good sail to the Pier and back to the harbour entrance before the squall came through. Congratulations to Barry Dacombe and the "Head Office" crew who were the only survivors to make it to the finish line while the rest of the fleet was taking seamanship lessons off Godley Head. The Trailer Yachts had a much better day on Sunday for their Pier race re-sail with ideal sailing conditions in a light, warm Easterly. Handicap honours for the Peter Everest Memorial trophy went to John Begg & crew on "Aquisition".

Rounding the mark at the Pier before the Southerly arrived

Yachting NZ "Have a Go" visits Lyttelton

Kids from the 3 Lyttelton Schools participated in the programme using the Yachting NZ Optimists and Toppers plus the Club's training fleet for a great day on the water. We were blessed with perfect conditions for YNZ instructor Candice Clough to introduce 24 children to sailing.

Is it a boat? Is it a plane?

Yes— it will fly!
